

JOINT MEETING VA-ANS & VA-HPS  
Dr. Detlev G. Reichenbach  
Regional Director Marketing: Russian Federation, Lithuania and Kazakhstan of AREVA NP  
Wednesday March 19, 2008  
[Innsbrook Technical Center](#) - Richmond, VA

***"Nuclear Sector of the Russian Federation"***

Detlev G. Reichenbach is the Regional Director Marketing of Russian Federation, Lithuania and Kazakhstan of AREVA NP at Erlangen, Bavaria. He returned from Moscow where he served as Director of AREVA Moscow Representation from 2001 to 2007.

After earning his M.Sc. in Thermal Physics (with specialization in nuclear power plants and facilities) at the Moscow Power Engineering Institute in 1980 and his D.Sc. Zittau Technical University in 1984, he served for three years as the Head of the Zittau Training and Research Reactor. He also worked for two years at the Institute of Reactor Safety at the National Board for Atomic Safety and Radiation Protection in Berlin.

At the end of 1990, Detlev Reichenbach became a Scientific Assistant to the Director of the Gesellschaft für Anlagen und Reaktorsicherheit (GRS): the main advisor to the German Federal Government in nuclear licensing in Garching, Bavaria. Since 1997, he worked as project manager and later as Director Sales & Marketing in Ukraine and Lithuania at Siemens AG, Power Generation (KWU), now AREVA NP GmbH, in Erlangen.

Detlev Reichenbach has over 50 publications / R&D reports on Nuclear Safety and Technology, Chernobyl Accident, Power Engineering, Energy Economy and Renewable Energies. He is member of the German and French Nuclear Societies. In 2004 he received the Medal of the Russian Nuclear Utility ROSENERGOATOM. This award is entitled: 50 Years Nuclear Power in Russia with specific distinction For major personal engagement related to the development of international cooperation in the field of nuclear energy.
