

Dr. Anthony J. Baratta

Associate Chief Administrative Judge U. S. Nuclear Regulatory Commission (NRC)

March 24, 2011 - [Innsbrook Technical Center](#) - Richmond, VA at 5:30 PM

"Adjudication the NRC Licensing Process"

Dr. Baratta is a full-time technical member of the Atomic Safety and Licensing Board, having joined in the fall of 2003. Before his appointment as the Associate Chief Administrative Judge (Technical) he served as professor of nuclear engineering at Penn State. While at Penn State he headed the Nuclear Safety Center, served as the chair of the Nuclear Engineering program, taught graduate and undergraduate courses, and supervised numerous M.S. and Ph.D. theses in nuclear engineering and physics. Dr. Baratta is the author of two books: an introductory nuclear engineering text, Introduction to Nuclear Engineering, co-authored with the late J.R. Lamarsh and a historic account of the accident at Three Mile Island, TMI 25 Years Later: The Three Mile Island Nuclear Power Plant Accident and Its Impact, co-authored with T.W. Conkling and B.A. Osif. His prior Federal service includes 30 years in the Naval Reserve where he rose to the rank of Captain as well as service with the Division of Naval Reactors, U.S. DOE.

Dr. Baratta has served as a consultant on nuclear safety in the U.S. and abroad. He is the author of numerous technical articles on thermal hydraulics, reactor kinetics, and reactor safety. He holds two patents and is active in a number of professional societies.
