Vice-President/ President Elect American Nuclear Society

President and CEO Excel Services Corporation

Wednesday, May 15, 2013 - Dominion Innsbrook Technical Center, Glen Allen, VA at 5:30 PM

Make ANS the Society of Choice for All NS&T Professionals

Donald Hoffman is one of the few entrepreneurs in the nuclear industry. His company, Excel Services, has been a profitable professional services provider to the nuclear industry for more than 25 years. Don is a leader who is willing to take calculated risks and also willing to recycle his profits back into his industry. His plans for the ANS are to implement and integrate the Strategic Plans; develop membership of the society on all fronts including reaching 15,000 members by 2015; advancing special committee on Utilities Integration; advancing relations with government organizations; support fundraising for the Center for Nuclear Science and Technology Information.

Speaker Biography:

Don spent 9 years in the US Navy, 5 years at the US NRC, and has had a long career in the Nuclear Industry. He is currently the President and CEO of Excel Services Corporation. Don has had many contributions to the ANS starting with his membership beginning in 1981
