

**December 7, 2017, 5:30 PM**

**Porvair Filtration Group**

**Meeting and Technical Tour**

**[301 Business Lane](#)**

**Ashland, VA 23005**

Come out to Porvair Filtration Group for the VA-ANS December meeting! The evening will consist of a social hour with a Porvair-sponsored bar, dinner, a brief presentation on ***The Applications and Principles of Nuclear Filtration*** and a guided tour of Porvair's 60,000 square foot manufacturing facility and US headquarters located in Ashland, Virginia.

Porvair Filtration Group is an international leader in the development and supply of high performance innovative materials and solutions for applications in filtration and separation. With the expertise to meet the challenges of the nuclear and aerospace industries, Porvair supplies custom designed filters and separation equipment to such customers as the US DOE, Areva, BWXT, Bechtel, NASA, GE-Hitachi, SpaceX, Aerojet-Rocketdyne, and numerous other high-technology customers. Porvair's products include pulsejet self-cleaning gas filtration systems, metal and glass fiber media HEPA filters, transuranic waste package vent-breathers and a variety of other designed-for-purpose filtration solutions.

With global headquarters in southern England, Porvair Filtration Group has been supplying high quality filtration solutions to the nuclear industry in Europe, the US and the UK since the 1980s.

### **Schedule**

- Social Hour – 5:30 p.m.
- Dinner – 6:15 p.m.
- Presentation & Tour – 7:00 p.m.
- Adjourn – 8:00 p.m.

Cost \$30 for members and \$15 for students. Add \$5 for non-ANS members.
