

Meem Lecture

Dr. Leah Parks, Nuclear Regulatory Commission Risk Analyst

Thursday, April 11, 2019

[Comfort Inn Monticello](#), Charlottesville

Topic: "Overview of the NRC Decommissioning Process for Nuclear Power Plants"

Biography: Dr. Leah Parks is currently a Risk Analyst for the Nuclear Regulatory Commission (NRC) within the Division of Uranium Recovery and Waste Programs. She has ten years of experience in the areas of decommissioning and waste as a technical reviewer for decommissioning sites and low-level waste disposal licensing activities. Her presentation will provide an overview of the NRC decommissioning process for nuclear power plants including the current status of nuclear power plants undergoing decommissioning, an update on the decommissioning rulemaking, and public involvement opportunities in the process. Dr. Parks is also currently serving as a Member of the ANS Board of Directors and will provide a high-level overview on the society's revised strategic plan and recent initiatives.

Schedule:

Social Hour – 5:30 p.m.

Dinner – 6:00 p.m.

Presentation – 6:45 p.m.

Adjourn – 8:00 p.m.

Cost: Dinner will cost \$30 for Professionals and \$25 for Students. Cash Bar. Reservations for the meeting needed to be made by 4 p.m. on Monday, April 8, 2019. Please address any questions to Nicole Waugh.
